15th Sunday in Ordinary Time

Growth in the life of Christ is not always a smooth, gradual and straightforward process. The different types of soil can very well be the varied response we make to his word, depending on the twists and turns our fortunes may take. When we meet with setbacks and disappointments, obstacles may stack up against our good intentions and weaken our firm resolve. Moments like this call for deep faith and may be Christ's way of calling us to a deeper union with him.
