19th Sunday in Ordinary Time

To have faith in Christ, we must live his life and do the works appointed by Him, willing to expose ourselves to the wear and tear of caring for others. Everyday we are presented with opportunities of demonstrating our faithfulness as followers of Christ. If we avail of them we will be prepared and ready for the arrival of the master of the house at whatever hour he chooses to come.

Please make cheques payable to St. Vincent de Paul

ARCHDIOCESE *of* KINGSTON

July 22nd, 2022

Dear Sisters and Brothers in Christ,

The past Lenten season may feel like a distant memory with the hot summer days upon us. However, over the last several months, a group of lay people supported by Chancery staff have been working diligently on the topic of the Lenten Collection. To date, we have received a total of \$66,392.74 from our parishes to be allocated to agencies serving our vulnerable populations. Our finance department has rounded the total to \$66,500 to make distribution easier. Any additional funds received will be rolled over to the 2023 collection. I have elected to focus the 2022 Lenten Collection on local initiatives as our parishioners were overwhelmingly generous with our special collections for Ukraine, which raised a total of \$141,025.50. Future Lenten Collections may address international issues depending on the current need of the times.

During spring 2022, a committee consisting of young members of our parishes was formed to assist me with the distribution of the funds collected. The group is comprised of representatives from each of our four deaneries. Over several weeks, the group met virtually to identify local initiatives and organizations that are currently addressing the greatest needs in our Archdiocese. Committee members offered profound insights into their respective communities, sharing concerns regarding poverty, homelessness, crisis pregnancies, food insecurity, end of life issues, and mental health. Being docile to the promptings of the Holy Spirit, the young adults prioritized local efforts that respect our Catholic understanding of the human person.

It is a great responsibility to be a prudent steward of the funds our parishioners have so graciously and generously given. The committee members brought forward many excellent agencies for my consideration, though regrettably, not every agency could receive funds this year. The goal was to support agencies addressing current needs in our diverse communities across the Archdiocese that may not be receiving widespread financial support for the community at this time. In the coming years, I will continue to reassess and adjust as needed the agencies that the Archdiocese will fund with the support of the young adults committee. Members will keep me apprised of local community needs to prioritize grass-roots initiatives, when possible, always deeply mindful of our Catholic values.

Please see the attached document for a list of agencies selected for the 2022 collection.

Yours in Christ,

+Michael Mulhall
Archbishop of Kingston
