### **27th Sunday in Ordinary Time**

Faith and good works are not alternatives for the Christian- they are inseparable. God's gifts to us require that we are open-handed to others.

No matter how we look at it, the kind of faith we have is best shown by the type of life we lead.

-Desmond Knowles-

## **National Catholic Health Care Week**

**From October 2 to 8, 2022** we mark National Catholic Health Care Week across Canada, recognizing the important work of Catholic health care organizations in our province and across Canada.

At the heart of Catholic health care is a deep respect for the intrinsic value and dignity of every human being and a commitment to serving all people, from all backgrounds and faiths—especially those impacted by trauma, stigma, poverty, and isolation.

We pray for health care teams who have given much over the past years and continue to walk with all those who are ill, deeply troubled, weary and struggling. We are grateful for our Catholic health ministries as partners in the healing ministry of Jesus, fostering trust, promoting justice and respecting the dignity of every human person—body, mind and soul.

Holding all those who are hurting in our hearts, we ask God to bless the work of Catholic health care and we offer our prayers, support, and encouragement for the people of our Catholic health organizations who serve with compassion and courage.

You are encouraged to mark National Catholic Health Care Week with daily reflections and prayers. Please visit the Catholic Health Alliance of Canada website at [www.chac.ca](http://www.chac.ca).
